### Donation of clothing to healthcare workers (4th Report)

We would like to express our deepest condolences to those who have lost their lives due to COVID-19 and extend our heartfelt sympathy to those who have been affected by this pandemic. We would also like to express our heartfelt gratitude and respect to all of the healthcare workers who are working tirelessly on the front lines of medicine to provide treatment and prevent infection as the virus spreads.

Fujibo Holdings, Inc. has provided additional support listed below to healthcare workers working in the demanding medical field during the COVID-19 pandemic. We have provided our support through contact points in charge of responding to COVID-19 in each medical associations in Tokyo, Osaka, Fukushima, Kanagawa, and Kumamoto prefectures. We hope that our support will be of help to healthcare workers who are working tirelessly to deal with patients with new COVID-19 infections.

The Group will continue to provide various support as COVID-19 measures and will proactively address ESG (Environmental, Social, and Governance) issues for the sustainable development of society and businesses.
